Chivalry Studies & Resources

Chivalry: An Ancient Code for Our Time is a unique character and Medieval history study, designed to be a high school credit. 25 lessons cover fascinating readings, insightful study questions, fun quests, writing projects, memory verses, inspirational quotes, and more. This challenging study is designed to teach yet also inspire a real-life adventure of chivalric Christian servanthood. *High school to adult.*

Chivalry: A Study for Little Knights is a unique character and history study, combined with a fun story. It is designed for you to work through with your student over 22 lessons. Story chapters alternate with practical lessons, and include fun activities to keep the student's attention. Follow the adventures of Guibert of Ghent as he learns about knighthood, and teach your child how to apply chivalric Christian principles to everyday situations in their life today. *Elementary ages.*

Chivalry Companion is a supplement for the *Little Knights* chivalry study. It contains 80+ pages of additional coloring pages, word searches, puzzles, games, and more.

Bible Study

King: A Christian's Call to Imitate Christ's Kingship. This small volume brings together riveting historical narratives and engrossing theological observations in a meditation of our kingship under Christ. Includes study questions in the back. *Teen to Adult.*

Comedic Medieval Fantasy

History reimaged...a lot! Two stand-alone volumes in the ongoing Medieval Muddles series. *General fiction.*

In Juvament! discover a long forgotten country beset by mobster insurance trolls, an occasional mythical monster, and a cuddly baby thrust upon a befuddled circus performer. In *The Mubblefubbles* join two troubadours turned dragon slayers on a zany medieval romp in 13th century France to the Mediterranean, as they fight pirates, save princesses, and foil a plot to take over the world as they know it.

Children's Picture Book

Dive into a story of castles and knights, eels and earthworms, and heaps and *Heaps of Hobs!* This picture book is a fun tale penned in genuine, authentic Anglo-Saxon poetic meter, and is studded with fun Old English words from real life – and there's even more fun in the appendices. Set in the world of the Medieval Muddles, ages 2-102.

Elementary

A Big Complaint is the first in a delightful series of Furry Friendship Tales, sure to entertain young readers while helping them learn wisdom from Scripture. Follow a growing alliance of adorable forest friends as they solve mysteries that unfold into a progressive adventure! *Elementary.*

Veterinary

Be the vet in *Fuzzy Logic!* Learn critical thinking skills as you work through interactive cases by choosing tests, making diagnoses, and picking a treatment plan. But pay close attention... There are more than medical cases between these pages! By the end of this workbook you will be familiar with many basic veterinary medical concepts and terminologies. *Teens to adults.*

A Theology of Beasts: Christians and Veterinary Medicine. In an age of

confusion about how we should relate to animals, this little book offers refreshing clarity. Whether you're a future veterinarian or just want to know more about the theology of human-animal relations, this book is for you! Explore the history of veterinary medicine and how it was influenced by Christians, as well as into what the Bible says about animals and what Christian philosophers mused about the subject.

These coloring books are filled with detailed information, compiled by a real-life veterinarian from real veterinary textbooks. Each one is thick with facts and filled with fun. Enjoy 33 pages of coloring and activities. *All ages.*

Fantasy with sci fi twist

Quality, clean fantasy with a dash of sci-fi, a pinch of humor, a generous portion of thrills, and life-changing inspiration stirred in! Unlikely heroes and mysterious outcasts embark on a 5 volume saga of adventures to regain a kingdom – but they may end up impacting a planet. *Teen to Adult.*

Fairy Tales

These fairy tales from the land of Deweot are thrilling and chivalrous! *Elementary.*

How to Unmake a Dragon follows a prince-turned-dragon and his faithful brother as they quest their way out of a faery plot, only to uncover a bigger scheme along the way. Enjoy a talking plant, evil ogres, sloths, honor, chivalry, and more!

In *Faery Wings and Pirate Things* chivalrous hearts and trouble are tossed together on the high seas. A sailor turned captain must deal with impish faeries and evil pirates, their antics leaving him to wonder: which is worse?

YA Sci-Fi Dystopian Fiction

The Sojourners is a 6-book series. *Young adult to adult readers.*

A two-hundred-year-old stolen Bible. A misfit musician and his chimera. Lasers and hover cars. A brother and sister trying desperately to cope with the death of home... When their kingdom's book is stolen, the rest of the world steps in and crushes their little nation. Anna and Nehemiah find themselves enslaved, with everything familiar in their lives stripped away. But God remains the same. They find surprise rescue from a mute and chimera, the mysterious traveling musicians who call themselves the Ravens. But are these mysterious rescuers more than they appear?

Alternate History/Historical Fiction

The Tangled Eons Series are adventures with a time traveling veterinarian. *Teen to adult.*

Crescent Tides is a thrilling alternate history tale about a time-traveling veterinarian adventurer facing off against terrorists with a Beretta and a broadsword. Dr. Calvin Schmitt is accidentally whisked off into a dangerous 16th century Mediterranean world in flux... Or was it an accident? Will he and his friends be able to keep the past from being forever altered by evil?

In *Fatal Fogs* someone is trying to murder Charles Dickens! Or maybe someone already has... This historical fiction follows Dr. Calvin Schmitt and his team through the smog-choked streets and moonlit rooftops of Victorian London as they investigate mysteries and attempt to save the timeline. But the clock is ticking: lives are at stake and nothing is as it seems.

Superhero graphic-rich novel

The Stalwart Supinator is a graphic-rich novel in the Tangled Eons world.

A new kind of hero prowls the crime-infested streets of Washington, DC, bringing the ancient code of chivalry to life! Previously homeschooled, and once a mild-mannered veterinarian, Tom Charger's life is altered by a crippling (and highly unusual) disability. His new choice of career shakes society!

Spy Thrillers!

The Parabaloni is a six book series, though each can be read as a stand-alone story. *Middle School and up.*

- *The Parabaloni*: Meet the founding members of the Parabaloni as they fight a devastating plot threatening America.
- *The Slingshot Effect*: An overseas adventure awaits the Parabaloni as they debate ideologies and fight terrorists unlike any you've seen before.
- *As The Eagle Flies*: The team meets a new friend and faces Islamic foes as they travel the world again.
- *Solitaire*: A Paris adventure for the spy crew as they battle an unknown enemy and try to save an old friend.
- *Adelle Angst*: Christmas time finds the crew in Antarctica, facing evil villains intent on destroying them – not to mention the rest of the world.
- *Blind Leader*: An old spy is tossed back into the espionage game by someone who may prove important to the Parabaloni crew as they work against the clock to again protect the innocent against evil.
